Verse 1

A long, long time ago
 I can still remember how that music used to make me smile
 And I knew if I had my chance
 That I could make those people dance and maybe they'd be happy for a while
 But February made me shiver, with every paper I'd deliver
 Bad news on the doorstep, I couldn't take one more step
 I can't remember if I cried when I read about his widowed bride
 Something touched me deep inside
 The day the music died

Chorus

So bye, bye Miss American Pie
 Drove my Chevy to the levee but the levee was dry
 And them good old boys were drinkin' whiskey and rye
 Singin' this will be the day that I die, this will be the day that I die

Verse 2

Did you write the book of love
 And do you have faith in God above, if the bible tells you so?
 Do you believe in rock and roll
 Can music save your mortal soul and can you teach me how to dance real slow?
 Well I know that you're in love with him 'cuz I saw you dancin' in the gym
 You both kicked off your shoes, man I dig those rhythm and blues
 I was a lonely teenage bronckin' buck with a pink carnation and a pickup truck
 But I knew I was out of luck the day the music died, I started singin'

Chorus

Bye, bye Miss American Pie
 Drove my Chevy to the levee but the levee was dry
 And them good old boys were drinkin' whiskey and rye
 Singin' this will be the day that I die, this will be the day that I die

Verse 3

Now for ten years we've been on our own
 and moss grows fat on a rolling stone but that's not how it used to be
 When the jester sang for the king and queen
 in a coat he borrowed from James Dean in a voice that came from you and me
 Oh, and while the king was looking down, the jester stole his thorny crown
 The courtroom was adjourned, no verdict was returned
 And while Lennin read a book on Marx, the quartet practiced in the park
 And we sang dirges in the dark the day the music died, we were singin'

Chorus

Bye, bye Miss American Pie
 Drove my Chevy to the levee but the levee was dry
 And them good old boys were drinkin' whiskey and rye
 Singin' this will be the day that I die, this will be the day that I die

Verse 4

Helter skelter in a summer swelter
 the birds flew off with a fallout shelter, eight miles high and fallin' fast
 It landed foul on the grass
 the players tried for a forward pass, with the jester on the sidelines in a cast
 Now the half-time air was sweet perfume, while sergeants played a marching tune
 We all got up to dance, but we never got the chance
 'Cuz the players tried to take the field, the marching band refused to yield
 Do you recall what was revealed the day the music died, we started singin'

Chorus

Bye, bye Miss American Pie
 Drove my Chevy to the levee but the levee was dry
 And them good old boys were drinkin' whiskey and rye
 Singin' this will be the day that I die, this will be the day that I die

Verse 5

And there we were all in one place

C Am Em D Dsus4 D Dsus2 D
 a generation lost in space, with no time left to start again
 G D/F# Em Am7 C
 So come on Jack be nimble, Jack be quick, Jack Flash sat on a candlestick
 Em A7 D

 And as the flames climbed high into the night to light the sacrificial rite

 G C G D

 Em A7 Em D7

Verse 6 | G D/F# Em
 I met a girl who sang the blues
 Am C Em D
 And I asked her for some happy news, but she just smiled and turned away
 G D/F# Em
 I went down to the sacred store
 Am C Em C

 Em Am Em Am
 And in the streets the children screamed, the lovers cried and the poets dreamed
 C G/B Am C D
 But not a word was spoken, the church bells all were broken
 G D/F# Em C D
 And the three men I admire most, the Father, Son, and the Holy Ghost

Remember the time you drove all night
Just to meet me in the morning
And I thought it was strange, you said everything changed
You felt as if you'd just woke up
And you said, "This is the first day of my life.
I'm glad I didn't die before I met you.
But now I don't care, I could go anywhere with you,
And I'd probably be happy."

Chorus

So if you wanna be with me
With these things there's no telling

Verse 2 There's so many times I've let you down
 So many times I've played around
 I tell you now they don't mean a thing
 Every place I go I'll think of you
 Every song I sing I'll sing for you
 When I come back I'll bring your wedding ring

Chorus **Chorus**

Verse 3 Now the time has come to leave you
 One more time let me kiss you
 Then close your eyes I'll be on my way
 Dream about the days to come
 When I won't have to leave alone
 About the times I won't have to say

 Listen children to a story that was written long ago
F *C* *Dm7/A* *Dm* *G*
 'Bout a kingdom on a mountain, and the valley folk below
C *G/B* *Am* *Am/G*
 On the mountain was a treasure buried deep beneath a stone
F *C* *F* *G* *C*
 And the valley people swore they'd have it for their very own.

Chorus *C* *Em* *F* *C*
 Go ahead and hate your neighbor, go ahead and cheat a friend

 Do it in the name of heaven, you can justify it in the end
C *Em* *F* *C*
 There won't be any trumpets blowing, come the judgment day
C *Dm7/A* *F* *C*
 On the bloody morning after one tin soldier rides away.

Verse 2 *C* *G/B* *Am* *Am/G*
 So the people of the valley sent a message up the hill
F *C* *Dm7/A* *Dm* *G*
 Asking for the buried treasure, tons of gold for which they'd kill
C *G/B* *Am* *Am/G*
 Came an answer from the kingdom: "With our brothers we will share
F *C* *F* *G* *C*
 All the secrets of our mountain, all the riches buried there."

Chorus Chorus

Verse 3 *C* *G/B* *Am* *Am/G*
 Now the valley cried with anger, mount your horses, draw your sword!
F *C* *Dm7/A* *Dm* *G*
 And they killed the mountain people, sure they'd won their just reward
C *G/B* *Am* *Am/G*
 Now they stood beside the treasure on the mountain dark and red

 Turned the stone and looked beneath it -
F *G* *C*
 "Peace on Earth" was all it said.

One grey night it happened, Jackie Paper came no more
 C *G* *Em* *A7* *D*

His head was bent in sorrow, green scales fell like rain,
C *G* *Em* *A7* *D*
Puff no longer went to play along the cherry lane.

Without his lifelong friend, Puff could not be brave,

So Puff that mighty dragon sadly slipped into his cave. Oh!

 But we talked of her all winter

The Sound Of Silence

Simon & Garfunkel

Am G
Verse 1 Hello darkness, my old friend,
Am
I've come to talk with you again,
F C
Because a vision softly creeping,
F C
Left its seeds while I was sleeping,
F C
And the vision that was planted in my brain
C/B Am C
Still remains
G Am
Within the sound of silence.

Verse 2 In restless dreams I walked alone
Narrow streets of cobblestone,
'neath the halo of a street lamp,
I turned my collar to the cold and damp
When my eyes were stabbed by the flash of a neon light
That split the night
And touched the sound of silence.

Verse 3 And in the naked light I saw
Ten thousand people, maybe more.
People talking without speaking,
People hearing without listening,
People writing songs that voices never share
And no one dare
Disturb the sound of silence.

Verse 4 Fools said I, you do not know
Silence like a cancer grows.
Hear my words that I might teach you,
Take my arms that I might reach you.
But my words like silent raindrops fell,
And echoed in the wells of silence

Verse 5 And the people bowed and prayed
To the neon god they made.
And the sign flashed out its warning,
In the words that it was forming.
And the sign said, the words of the prophets
Are written on the subway walls
And tenement halls
And whisper'd in the sounds of silence.

Verse 1 *G* *Em* *C* *G*
 Come gather 'round people wherever you roam
 G *Am* *C* *D*
 And admit that the waters around you have grown
 G *Em* *C* *G*
 And accept it that soon you'll be drenched to the bone
 G *Am* *D*
 If your time to you is worth savin'
